

# To all refugees from Ukraine!

Freiwilligenagentur  
**ExChange**  
AWO Berlin KV Südost e.V.

**We, the voluntary organisation AWO Berlin Kreisverband Südost e.V., welcome you warmly!**

We would like to be near you from the very beginning and help you with advice and assistance!

Do you have everyday or orientation questions about Berlin?

Or do you just wish to communicate with other people from Ukraine?

Contact us and tell us about your wishes and ideas about information exchange, meetings, assistance and consultation.

Furthermore, our volunteers can accompany you 1:1 throughout Berlin, for example when visiting the local authorities.

We turn your ideas into reality with the help of many committed people and arrange a suitable offer for you.

We have different public spaces in the Berlin districts Neukölln, Lichtenberg and Treptow-Köpenick, such as community centers, family and consultation centers, inclusion institutions, and youth clubs. We would like to open our doors for you and actively address your needs.
